Accommodation: Campo Base offers shared large dormitory-style bunk-bed rooms for 10-20 people, with the option to separate spaces by gender. Bathrooms are shared but provide privacy and can also be gender-divided if required. The hostel has WiFi, easy access to the village of Rascafría, and is surrounded by rivers, forests, and mountains—an ideal setting for both educational programmes and outdoor experiences.

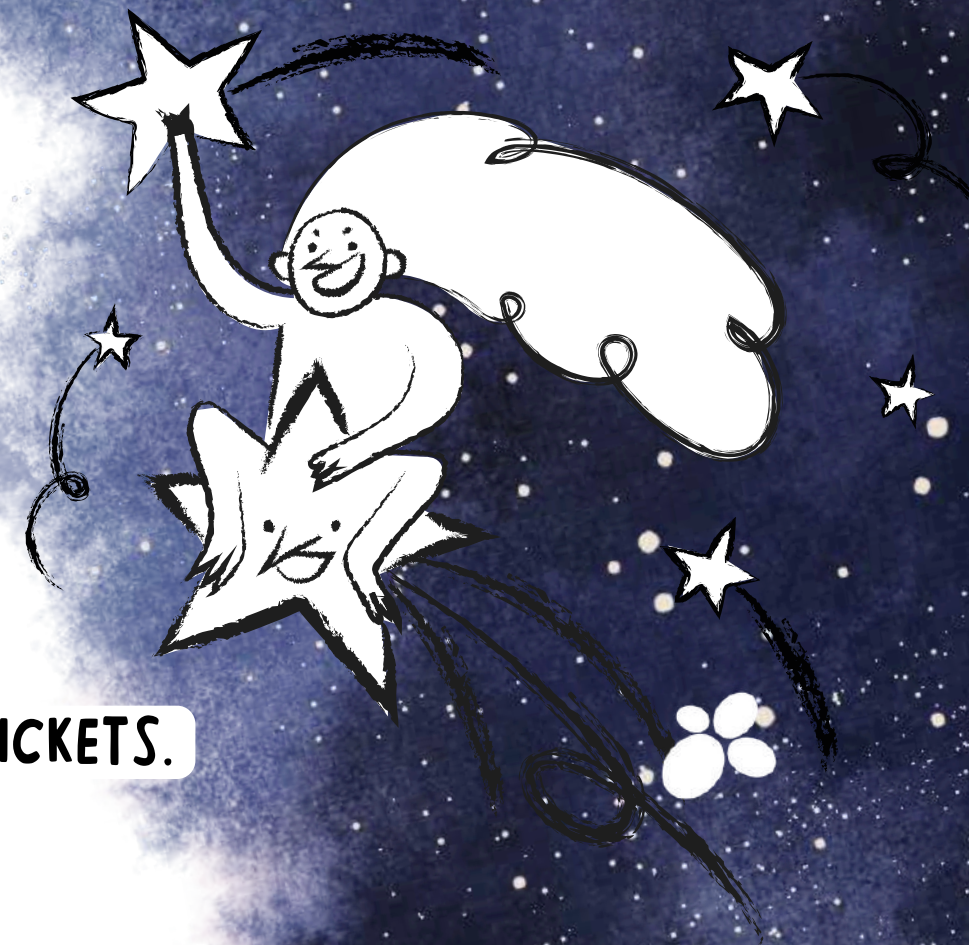

IMPORTANT NOTICE

- Unfortunately due to budget limitations by the Spanish National Agency, we are no longer permitted to approve higher budgets for Green Travel. Of course this is very disappointing for the sustainable values we work to uphold. We continue to encourage the participants who are able, to choose to travel by land (train or bus), but we understand this can be challenging due to the financial constraints.
- Participants' travel costs will be refunded only upon the presentation of all the original travel documents (paper and online), signed reimbursement form and receipt.
- The refund process will take approximately 2-4 months.
- The travel costs are refunded according to the Travel Distance Calculator of the EACEA (table below):
